

# PETA-APPROVED VEGAN. COMPLIANCE STATEMENT.

gorfactory

This statement certifies that GOR FACTORY SA is affiliated with PETA (People for the Ethical Treatment of Animals) and that we comply with all the requirements and principles established by PETA-Approved Vegan, ensuring that our textile articles do not contain materials of animal origin nor have they been subjected to processes that involve ingredients or animal by-products at any stage of production.

In accordance with the criteria established by PETA-Approved Vegan, we hereby state that:

- ✓ Our textile products are made exclusively from 100% animal-free materials, including fibres, treatments, dyes and adhesives.
- ✓ We do not use wool, leather, silk, cashmere, angora, animal hair, or other animal-derived fibres in our fabrics or finishes.
- ✓ The manufacturing and treatment processes of our products have been verified to ensure that no animal ingredients or by-products are involved.
- ✓ Our suppliers have been evaluated to ensure compliance with these principles throughout the supply chain.

This statement is issued in good faith and reflects our commitment to the ethical and responsible production of textile articles that respect the principles of veganism.
