STATEMENT

Workplace Conditions Assessment

GOR FACTORY, S.A. is pleased to announce that it has successfully passed the Workplace Conditions Assessment (WCA) social audit, conducted by Intertek.

Evaluation report No. F_IAR_17044 certifies compliance with the highest international standards in working conditions, health and safety, environmental practices, and business ethics.

This recognition, valid until **July 4, 2028**, strengthens our commitment to **continuous improvement, transparency, and sustainability**, ensuring a responsible and safe working environment throughout our organization, while consolidating our position as a trusted partner within the global supply chain.
